

# Arbors at Ridges ~ July 2017

Thank you to all Arbors tenants who participated in the “**Only One You**” intergenerational project with Ebenezer Ridges Childcare preschoolers! This project celebrates each person’s unique individuality and encourages youth to have the courage to love and be who they are...

**just as they were meant to be!**

In June, Arbors tenants and the children read the book “Only One You” together, followed by each adult and child painting rocks to represent himself/herself. This project will continue throughout Ebenezer Ridges campus including residents, family members, children, staff and volunteers, for the summer. The project will conclude with a beautiful path of decorated rocks in our campus butterfly garden, celebrating each unique individual as gift to the Ebenezer family!

# What's Happening at Arbors:

**ADMINISTRATION:** Our next scheduled podiatry appointments will take place in the Wellness Room on August 1st and 22nd. We will not have appointments in July.

## **Ebenezer Guidelines – Electronic Monitoring:**

Ebenezer recognizes that there may be times or situations in which a family/resident or responsible party may wish to use electronic surveillance devices for the purposes of monitoring activities within their room or apartment. Ebenezer respects this right and does not discourage the use of such devices. We encourage open communication and dialogue between family/resident/responsible party and staff which best ensures quality outcomes. In light of this, while not required, we request that any monitoring equipment installed is discussed with site management prior to its installation.

To maintain the safety and integrity of the buildings' IT infrastructure, as well as to protect systems and video from malware and hacking, Ebenezer has put together several helpful resources regarding electronic monitoring. These resources include a FAQ, an electronic monitoring protocol fact sheet and brochure. To receive a copy of these resources, or for more information, please contact Christina Cauble, Arbors Executive Director, at (952) 435-9943.

**EVENTS:** Happy 4th of July from the Events team! We hope you'll join us as we celebrate summer with picnics, riverboat cruises and sightseeing! Please refer to the July Events calendar for dates and times.

We will be heading to **Camp Friendship** near Annandale for our "Great Outdoors" day-trip on Wednesday, August 23rd to enjoy warm sunshine, pontoon rides, fishing, campfires, etc.! Just a reminder to please sign up at the front desk by **July 14th**.
