

# Arbors at Ridges ~

2018

## Please welcome Arbors' new Executive Director, **Ashley Jackson!**

"Hello!—First off, thank you SO much for allowing me to join the Arbors at Ridges Family! I am looking forward to getting to know each of you. Some of you are familiar faces as I began my journey with Ebenezer 8 years ago at the Ridges Campus. Since then, I have worked as a Corporate Director of Human Resources for the organization. Although it was a great experience, I am very happy to be back on the Ridges Campus with all of you! Again, I look forward to getting to know you! Please let me know if there is anything I can do to make this a smooth transition."

## **CONGRATULATIONS, SARAH!**

**Recipient of Ebenezer CARE BEAR!**

Ebenezer Care Bears (in honor/memory of Barb Dentinger) are awarded to those employees that consistently go above and beyond to provide the best experience for residents and their loved ones. Sarah was honored with this award because of her constant willingness to do things outside of her job description if she thinks it will help or make for a better experience. She is constantly brainstorming ideas to make Arbors residents' experiences better, especially for new move-ins. The bears are dressed in themed clothing to represent each recipient; Sarah's bear is appropriately sporting WONDER WOMAN attire!
